Programme Briefs

Diploma in Education (Arts)/Bachelor of Education (Arts), Diploma in Education (Languages)/ Bachelor of Education (Languages),

Diploma in Education (Science)/Bachelor of Education (Science) Programmes

- These programmes are aimed at producing professional teachers for secondary schools in the following majors: French, History, Geography, English, Chichewa, Mathematics, Physics, Chemistry, Biology, Theology and Religious Studies, and Religious and Moral Education.
- In the Open, Distance and eLearning delivery mode, learners have the choice to combine Mathematics with any of the arts/humanities subjects (French, History, Geography, English, Theology and Religious Studies, etc.) or any of the science subjects (Biology, Chemistry, and Physics).
- In the Diploma in Education (Arts) /Bachelor of Education (Arts) , learners will be encouraged to specialise in English/Chichewa/French as a deliberate effort to supply the much needed language teachers in the secondary school system.
- The study programmes will start with a four-week orientation at Mzuzu University followed by sixteen weeks of home-study, two weeks of laboratory work for the science group, and two weeks of examinations in each semester.
