Students will be required to present bank deposit slips and a Transaction Reference copy to the University Cashier to be cleared for registration.

Special caution in making payments

Parents and Guardians are advised to use the official bank account given above to avoid being duped by tricksters who provide different bank accounts or mobile money wallets to defraud unsuspecting students or their sponsors. The University does not receive tuition fees through mobile money wallets such as Mpamba or Airtel Money.

There is a tendency by fraudsters to make telephone calls to candidates to pay fees, accommodation charges or to be given certain favours by the University. Please be on the alert against such temptation to avoid losing money anyhow. Report such callers to the Malawi Police Service or other security agents for criminal investigation.

Board and Lodge

All candidates have been admitted on the understanding that they will find their own accommodation off-campus. Additionally, they are required to provide for their meals, transport and upkeep.

Very limited University accommodation is available on Campus. The University allocates these limited bed spaces to some of its new students using its internal policy and criteria which aims to protect minors (students below the age of 18), students with special needs and students with special medical conditions, vetted by the University medical staff. Candidates do not need to apply for accommodation because the University uses the information which the candidates already submitted during their application for admission.

The allocation of bed space is announced two weeks before orientation week and the results are published on the University website.

Original Certificates and Passport-size Photographs

All candidates are required to bring original copies of their academic certificates and two identical passport size photographs for registration purposes.

Admission Letters

The University is sending admission letters to all the candidates using the contact details which were submitted during their application. The admission letters provide more information the candidates may require. Candidates who wish to update their contacts for receiving the letters should provide their new information through the e-mail shared below.
