When making any payment, always indicate the student's **Registration Number**, which can be obtained from the admission letter. Payments made without a registration number will **not** be recognised, and **shall not be automatically cleared**.

You are strongly advised to use only the official University bank accounts provided above to avoid being duped by tricksters who may provide false bank account details or mobile money wallets to defraud unsuspecting students or their sponsors. Please note that Mzuzu University does not receive any payments through mobile money wallets.

There have been instances where fraudsters make telephone calls to candidates demanding payment of fees, accommodation charges, or offering favours in exchange for money. **Do not entertain such requests**. Any such calls or messages should be reported immediately to the Malawi Police Service or other relevant security agencies for criminal investigation.

All candidates have been admitted on the understanding that they will find their own accommodation off-campus. Additionally, they are required to provide for their meals, transport and upkeep.
