---

I write to inform you that the Faculty of Education Assessment Committee meeting held on Wednesday, 21<sup>st</sup> July, 2021 noted that some cohort 8 students pursuing Bachelor of Education (Arts) and Bachelor of Education (Language) registered up to 8 courses in level 1 semester 1 when they only required 5 courses. The Committee further noted that some students have not adhered to the intended majors for their programme.

Accordingly, I wish to highlight the following points to direct on the right courses a student must register:

1. Bachelor of Education (Arts) students are expected to be majors in History/Geography, Geography/Theology and Religious Studies and History/Theology and Religious studies;
2. Bachelor of Education (Language) students are expected to be majors in English/ French, French/Chichewa and Chichewa/English;
3. African Languages and Linguistics (Chichewa) and English have half units. Students are expected to take both half units which will make one grade i.e;

ENGLISH= ENGL 1201 + ENGL 1202

ALLE= ALLE 1201 + ALLE 1202

4. Heads of Department will advise on the actual courses that will be offered for each of the semester as it starts.

Please find the attached registration route map to direct on the right courses a student must register for at the beginning of each semester.

Finally, I wish to remind cohort 5 students that they should register as double majors and not as major-minor.

Should there be queries, please contact your the undersigned through [arodel@mzuni.ac.mw](mailto:arodel@mzuni.ac.mw) or call 0888 337 828.
