

SELECTION OF 2025/26 GENERIC CANDIDATES (FACE-TO-FACE AND OPEN, DISTANCE AND E-LEARNING MODES OF DELIVERY)

Mzuzu University (MZUNI) Council is pleased to announce the selection of **1,827** generic candidates (**1,067 males and 789 females**) to pursue their studies through the face-to-face mode of delivery under the 2025/26 Harmonised Public Universities Selection (PUS) coordinated by the National Council for Higher Education (NCHE). The criteria for selection was merit, with gender considerations for qualified female candidates to meet the 40:60 gender requirement under the Laws of Malawi. Included among the selected candidates are 13 candidates with special needs (**8 males and 5 females**).

Following the selection of the generic candidates under the face-to-face delivery mode, which is based on the available classroom space, it was observed that many other eligible candidates who had indicated MZUNI programmes among their choices were not selected due to inadequate classroom space. Therefore, with support from the Ministry of Education, Science and Technology; NCHE; and the Higher Education Student Loans and Grants Board (HESLGB), MZUNI made a decision to select an additional **2,550** candidates (**1,258 males and 1,292 females**), using the same criteria, who are being offered places to pursue their studies through the Open, Distance, and e-Learning (ODEL) delivery mode.

MZUNI, as a dual-mode higher education institution, believes that limited classroom space should not hinder the dreams of candidates to pursue their university education. This is being done in support of the First 10-year Implementation Plan (MIP-1 2030) of the Malawi Government's 2063 vision and the National Education Sector Investment Plan (NESIP 2020-2030) towards human capital development and increasing access to higher education, respectively.

The names of the selected candidates are as follows:

1. GENERIC CANDIDATES (FACE-TO-FACE MODE OF DELIVERY)

A. FACULTY OF EDUCATION

Bachelor of Education (Languages) – 4 Years

Opening Date

The selected candidates should report at the University campus on **Monday, 28th September, 2026** for orientation, registration and commencement of classes for the 2026/27 Academic Year.

Fees and Payment Method

a) Generic Candidates (Face-to-Face Mode of Delivery)

The generic candidates (face-to-face mode of delivery) are required to pay fees as follows per academic year:

- **MK650,000.00** for Malawian students
- **US\$ 1,500** for non-Malawian students from SADC Countries
- **US\$ 3,000** for non-Malawian students from Non-SADC Countries

The generic candidates (face-to-face mode of delivery) should deposit fees into the following bank account:

**Name of the Bank : FDH Bank Account Name : Mzuzu
University Fee Collection Account Account No. :
1470000606138 Branch : Mzuzu Branch Swift Code
(for international transfers): FDHFMWMWXXX**

b) Generic Candidates (ODEL Mode of Delivery)

The generic candidates (ODEL mode of delivery) are required to pay **MK600,000.00** per academic year.

The generic candidates (ODEL mode of delivery) should deposit fees into the following bank account:

**Name of the Bank : FDH Bank
Account Name : MZUNI New CODEL Fees Collection
Account
Account Number : 1470000597856
Branch : Mzuzu Service Centre**

Mzuzu University's policy on fees is "**No Fees, No Registration**".

Candidates should therefore pay at least half of the required fees per academic year for them to be registered in each of the two semesters, before they begin attending classes and accessing other services.

Special caution in making payments

Parents, guardians, sponsors and students are advised to make all payments using the University's **official** fees payment channels as indicated above, either through bank branches nationwide or via the approved digital banking platforms.

When making any payment, always indicate the student's **Registration Number**, which can be obtained from the admission letter. The **Registration Number** is clearly indicated on the admission letter as a **unique identifier** of the student in the University's accounting system and the students' management information system which is integrated with the banking system. Payments made without a registration number will **not** be recognised, and **shall not be automatically cleared**.

You are strongly advised to use only the official University bank accounts provided above to avoid being duped by tricksters who may provide false bank account details or mobile money wallets to defraud unsuspecting students or their sponsors. Please note that Mzuzu University does not receive any payments through mobile money wallets.

There have been instances where fraudsters make telephone calls to candidates demanding payment of fees, accommodation charges, or offering favours in exchange for money. **Do not entertain such requests**. Any such calls or messages should be reported immediately to the Malawi Police Service or other relevant security agencies for criminal investigation.

Higher Education Students Loans

Students who wish to apply for tuition and upkeep allowance loans from the Higher Education Students Loans and Grants Board (HESLGB) are advised to use their respective candidate number which has been indicated against their name in this press release above.

ODeL Structure

MZUNI established the Centre for Open, Distance and eLearning (CODeL) to coordinate affairs of this mode of learning. The Main Hub is located at the Main Campus in Mzuzu. It is headed by the Centre Director.

CODeL has five purpose-designed Satellite Learning Centres located in different geographical areas with personnel, facilities and equipment to provide continuing student support and enhance their learning. Each Satellite Learning Centre has a Centre Manager, a Librarian and an ICT Officer to coordinate the provision of various student support services, including tutoring arrangements, aimed at achieving optimum student experience.

These Satellite Learning Centres are located in the following areas:

1. Karonga near Karonga Teachers' Training College;
2. Mzuzu at the CODeL Complex within the MZUNI's Main Campus;
3. Lilongwe at Area 25 near Lilongwe Teachers' Training College; 4. Balaka near Balaka Secondary School; and 5. Mulanje near Mulanje Secondary School.

As students commence their studies after the general orientation and module orientation at the Main Campus, they will be required to affiliate themselves with any of the Satellite Learning Centres of their choice for continuing learning support and examinations.

Board and Lodge

All candidates have been admitted on the understanding that they will find their own accommodation off-campus. Additionally, they are required to provide for their meals, transport and upkeep.

Very limited University accommodation is available on Campus. The University allocates these limited bed spaces to some of its new generic students (face-to-face) using its own criteria which, among others, aim to protect minors (students below the age of 18), students with special needs and students with special medical conditions, vetted by the University's medical staff. Candidates do not need to apply for accommodation because the University uses the available information which the candidates submitted during their application for admission.

The allocation of bed space is announced two weeks before orientation week and the results are published on the University website.

Original Certificates and Passport-size Photographs

All candidates are required to bring original copies of their academic certificates and two identical passport size photographs for registration purposes.

Admission Letters

The University will send admission letters to all the candidates using the contact details which were submitted during their application. The admission letters provide more information the candidates may require, including the **login credentials in their student's online portal**. Candidates who wish to update their contacts for receiving the letters should provide their new information through the e-mail shared below.

We would like to congratulate all the successful candidates for being selected to study at Mzuzu University.

For further information, please contact the University Registrar's office using the following contact details:
